FRIENDSHIP

bracelets

CLUE #1

In a corner where
friendships bloom like
Midnights
glow, find a treasure
trove where threads
and colors flow.

Where beads
are bejeweled and
dreams take flight,
make the whole place
shimmer, crafting
friendship just right.

CLUE #2

In the afterglow where
love went astray,
venture outside where
remnants of a messy
breakup lay.

Taylor's lyrics
don't mince, in this
gooey sticky mix,
find the aftermath of a

Lover's
messy fix.

13

tattoos

CLUE #3

Find the place where ink
leaves a trace,
with thirteen symbols,
each holding
snake-like grace.

Search for a snack,
Taylor's lyrics echo here,
look for a big

REPUTATION
and tattoos might appear.

DANCE
party

CLUE #4

Where beats are lively,
and the rhythm's swift,
a spot where

1989

dance moves uplift.
Shake it off
and move your feet,
to the place where
the music and
dance party's
heart beat.

Make-up

CLUE #5

Find the spot
where beauty's bold,
where RED lips
and glitter will unfold.

Look near a mirror,
where makeup's sweet,
this is where you'll find
your next treat.

The background is a deep purple gradient, filled with numerous bokeh light spots in shades of purple, pink, and white. Several bright, golden-yellow fireworks are exploding, creating starburst patterns of light. The overall effect is magical and celebratory.

FAIRY
hair

CLUE #6

In a realm enchanted,
where whispers
of 'Speak Now' blend,
seek the spot
where sparkly strands
transcend.

Where every lock
tells a tale,
in this magical affair,
make the
whole place sparkle
with Fairy Hair.

CLUE #7

**To celebrate
with all your peers,
where candles flicker,
and FEARLESS birthday
wishes draw near.
Look where the feast
and joy appear,
it's time to celebrate
The Best Day
with birthday cheer!**
